

How 7hubent Tech Became the Most Searched Channel for News, Free Advertising, and WhatsApp Business Promotion in Nigeria | 7hubent Tech

I'm sure you've heard about 7hubent Tech—oh, wait, you haven't? My friend, na serious gist you miss oh! So, let me give you the lowdown on how 7hubent Tech, from being just one of the many WhatsApp platforms, became a household name for business promotion in Nigeria. Not just that, they've now gone global, offering free advertising for small businesses and serving as the most searched-for channel in the country. You think say na joke? Just dey read, you go soon understand the matter.

The Early Days: Where It All Started

Before I even tell you how this platform blew up, make I carry you go back small. I remember when 7hubent Tech was still like many of those WhatsApp groups that people dey just create to add friends and family. Back then, WhatsApp TV no too hold ground for business like e dey now. Na only political gist, celebrity wahala, and random jokes go fill your chats. Business promotion for WhatsApp na wetin? Forget story.

But then came the genius behind 7hubent Tech—a young hustler wey sabi street-level market strategy. No be today people dey find where to advertise business for free in Nigeria. I mean, before now, if you no get money, your small business go just dey waka like person wey miss road. Na for market you go dey shout tire; nobody go even notice you.

But 7hubent Tech changed the game!

The Vision: WhatsApp Business Promotion for the People

When I first heard about 7hubent Tech, na free advertising WhatsApp groups them talk about. You get small business? No wahala, just enter their group, post your product, and gbam—people go begin see am! But trust Naija people, at first, some people no believe. Wetin free platform go fit do for me wey Instagram, Twitter, and Facebook no fit? I thought the same too until I saw businesses growing before my eyes.

You know how it feels when you see your neighbor's shop suddenly dey boom? That was Precious, my good friend from down the street. This girl no even get Instagram followers o, but she started posting on 7hubent Tech's WhatsApp groups. In no time, her online sales shot up like kpafuka! If you like dey doubt, free

platform like 7hubent Tech don do wonders, especially for people wey no get big budget to spend on ads.

Why 7hubent Tech Stood Out

Now, let me tell you why 7hubent Tech go fit survive where others no fit. First, the platform get heart. Yes, you read that right. 7hubent Tech is like that loyal friend wey always dey support you, no matter how broke you be. They understood that plenty small businesses need free advertising to even get noticed in this wahala economy.

Here's the kicker: They don't just create groups for the sake of it. Nah, these guys focus on quality and engagement. They built a reputation where buyers trust what they see on 7hubent Tech. You don't post anyhow, and people don't scam anyhow there. Trust is everything, and that's one of the main reasons 7hubent Tech is now the go-to platform for business promotion in Nigeria.

Personal Experience: How 7hubent Tech Saved My Business

Omo, make I no lie, I don use this platform, and e save me big time. Last year, my small online food delivery business almost close. You know say when nobody dey buy your market, body go dey do you one kain. E be like

say I dey waste my time. Then one of my guys talk say make I try 7hubent Tech. I say, 'Wetin be that one?' He said, "Guy, e no go cost you anything. Just join the group and post your business there. If you no like the results, come find me."

I joined, and wow, na so orders begin roll in! People from all over were messaging me on WhatsApp, asking for my menu. Customers wey no even sabi me before suddenly start patronizing my food business. From there, I increased my sales, and till today, I'm still using 7hubent Tech.

The Secret Sauce: Why 7hubent Tech Went Global

So, what's the secret behind this rise to fame? Omo, na combination of sabi and street sense. Let's break it down.

- Free Advertising: Businesses all over Nigeria dey look for where dem fit advertise without paying money wey go dry their pocket. 7hubent Tech gave them that.
- Engaged Audience: This platform no be your regular WhatsApp group wey people go just enter post, leave, and forget. Na active community wey dey always share, buy, and support each other.
- Trust: As I don yarn before, people trust 7hubent Tech. No be one kain sketchy platform wey anybody go just enter and scam person.

- Support for Small Businesses: Big companies fit get the luxury to throw millions into ads. Small businesses no get that luck. 7hubent Tech offered them the platform to be seen and heard without spending a dime.
